

THE CHRISTMAS TREE AND HOW TO MAKE THE MOST OUT OF IT

A Christmas tree is a thing that is not only a source of joy to the children, but also a source of joy to the parents. It is a thing that is not only a source of joy to the children, but also a source of joy to the parents.

There is no more beautiful sight than a Christmas tree, and no more beautiful sight than a Christmas tree. It is a thing that is not only a source of joy to the children, but also a source of joy to the parents.

When children are young, they are very fond of a Christmas tree. It is a thing that is not only a source of joy to the children, but also a source of joy to the parents.

There are many ways of using the Christmas tree. One of the best ways is to use it as a source of joy to the children. It is a thing that is not only a source of joy to the children, but also a source of joy to the parents.

The little ones are afforded much enjoyment, too, when the Christmas gifts are hidden. They may be placed in all out of the way corners in the house and a most enjoyable morning may be spent in searching for them.

Another way in which the gifts may be given to the little children is to have them hidden in some part of the house and then take as many pieces of twine as there are children and wind and interwind them in and out of the house. As each child comes

There is no more beautiful sight than a Christmas tree, and no more beautiful sight than a Christmas tree. It is a thing that is not only a source of joy to the children, but also a source of joy to the parents.

CHICAGO, Dec. 8. It is the belief of Dr. Lewis B. Fisher of the University of Chicago that smoking soldiers are no good for war. Addressing the Chicago Political Equality League, he said: "In a time of war I believe there are enough gymnasts, stunts, athletic trained girls in this country to outshoot cigarette smoking boys."

PHOTO PLAY AT EMPIRE WONDER

What is claimed by the management as being the most artistically acted photo-play, and at the same time as interesting a story as has ever been projected at the Empire Theater is dramatization in moving pictures of Charles Dickens' weird, masterful "Martin Chuzzlewit."

HEAVY DECLINE IN EWA STOCK

A drop of a point in Ewa at any other time than one like the present, when an epidemic of cold feet prevails, would be sensational. With such a drop to 25, a sale of 200 shares of Ewa took place on the board today. Hawaiian Commercial registered a fall of three-quarters of a point to 32 or 3 shares reported. Olat remained unchanged at 4 for 25 and 50 shares at the session. Pabank Rubber is unchanged in a sale of 50 shares at 19. Oahu Railway lives are at the previous rate of 101 for \$500.
